THE OBITUARY OF A CENTENARIAN

PASTOR MCKINLEY MCCARDELL

1897 – 1998

McKinley McCardell was born to the union of Ike and Annie Booker McCardell (the last of nine children) on September 10, 1897, in Goodrich, Texas. He was the final survivor.

Pastor McCardell's parents accepted Christ as their personal savior in the year 1914. Prior to his parents accepting Christ, McKinley also accepted Christ at a young age, as his personal savior. He was second generation Church of God in Christ. As a youth, he dedicated his life to God — and having a gift of prayer and talented to sing, he traveled with ministers and missionaries throughout the state of Texas, attending camp meetings in various cities. He was a very strong soul winner encouraging many other youths of that day to receive Christ into their hearts. He spent a devoted life working with and in support of the church in many areas. He received various levels of training from many great men of the church, such as the late Bishop O. T. Jones, the late Bishop J. W. Taylor, the Crouch and Compton families, who were blood related. These closely knit families worked close together to accomplish a great work for Christ.

In 1919, Elder McCardell, after working on the Katie Line Railroad, decided to leave Texas and go to California, with other family members, including Elder B .J. Crouch and Elder Denny Williams. The late Bishop Samuel Martin Crouch was married to Elder Denny Williams' sister, Gertrude Williams. Arriving in California, the late Pastor Denny Williams went to Sacramento, California, where he built a church and on his demise, his nephew, Troy Wagoner in 1959 renamed his church, William Memorial Church of God in Christ.

In 1927, Elder McCardell was president of YPWW of Northern California and represented Northern California in Memphis and also in the Sunday School at the National Convocation working with Father Christmas and Elder O.T. Jones. In 1936, in Northern California, Elder McCardell after serving a number of years as Superintendent of Sunday School, resigned his high post and turned it over to his nephew. Elder W. J. Taylor, who, at that time, resided in Los Angeles, California, serving under his uncle, Overseer S. M. Crouch.

In 1941, Pastor Harrison, the pastor of 8th and Center, the 3rd church in California, became ill and Elder McCardell in 1946 was asked by Dad C. H. Mason and Mother Lillian Coffee to serve as the pastor, seeing he had assisted since 1941.

Elder McCardell carried on the church as pastor, but would not take any money, rather, he saved it all for Pastor Harrison, and when he returned, he gave him every penny, every dollar, that had been raised when he returned in the fifties. Elder McCardell served for 18 years as an assistant and on the pastor's return, he relieved him of all duties and suggested that he start his own church. With that, Elder McCardell left and started Zion New Hope in Oakland, California where he pastored at 100 years of age.

Elder McCardell served as treasurer of the Oakland District of Northern First Jurisdiction until 1961 when he moved to Central District to work with his son-in-law, the late Bishop A. T. Wagoner, in California Northwest, which was organized in 1957. The late Bishop E. E. Hamilton was the Jurisdictional Founder and Prelate. Dad McCardell served as Assistant Superintendent of Central District for 23 years. He was appointed President of the Pioneers under the late Bishop Milton Mathis of California Northwest, and in 1982 and reappointed under Bishop W.W. Hamilton. From 1921 until his homegoing Pastor McCardell served under 10 overseers and bishops in Northern California.

Pastor McKinley McCardell was a servant among servants, a man of honor, dignity, righteousness and godly esteem; yes, he was a leader known for his godly principles. He traveled the world over and served loyal in his local community. He served and honored Dad Mason and provided him a place of residence whenever he came to Oakland, California. He saw the church in its first glory. *"We Shall Never Forget"*

He leaves to mourn a daughter, Dr. Faidest Wagoner, granddaughters, Sharron Martin and Troylynn Turner Washington, one great granddaughter, Armani Trinae, one great grandson, Armante Troy Washington, (five generations), and a host of nephews, nieces, relatives and friends.
